

THE LEGACY SOCIETY

Caring for Tomorrow's Children

A BEQUEST TO UPLIFT FAMILY SERVICES

In making a bequest to Uplift Family Services, regardless of size, you are creating a legacy of love and making a commitment to extend our support and services to tomorrow's children.

A charitable bequest, whether through your will, a trust, or some other type of deferred gift, maybe handled in one of the following ways:

- **PERCENTAGE BEQUEST:** You designate a percentage of your estate.
- **SPECIFIC BEQUEST:** You designate a specific dollar amount or a specific piece of property or other asset.
- **RESIDUARY BEQUEST:** You designate the residue of your estate after other beneficiaries have received their bequests and expenses have been paid.

To include Uplift Family Services as a beneficiary of your estate, the following terminology is appropriate:

"I give (dollar amount or percentage of estate, property name or other specific asset) to Uplift Family Services, tax ID # 94-2295953."

Your bequest to Uplift Family Services entitles you to membership in The Legacy Society, honoring you and other generous donors for their commitment to tomorrow's children.
